

# Animal & Bird Repellents

## Animal Away High Frequency Sound

Only the animals can hear it. Repels dogs, cats, raccoons, etc. It also has a unique security setting that alerts you of intruders. The built-in motion sensor detects up to 360 degrees and covers a 15 foot radius. The unit is weatherproof, and can be wall, tree or post mounted.

ORDER CODE: AAF-PG14

## Raccoon Problems Use - Coyote Urine

This product is 100% real coyote urine and creates the illusion that coyotes are present. Deer, raccoon, possum and other animals react instinctively to the fear of this predator.

ORDER CODE: 91206-PG14

## Flambeaus Great Blue Heron

Protect your pond from the real heron with this life like bird.

ORDER CODE: 5960L-PG14

## Dried Blood
